

Giorgio Carluccio was born in 1979 and grew up in Ortelle, Lecce, Italy. He received the Laurea degree in Telecommunications Engineering and the Ph.D. degree in Information Engineering from the University of Siena, Siena, Italy, in 2006 and 2010, respectively. Since 2008, he has been collaborating with the ElectroScience Laboratory, Department of Electrical and Computer Engineering, The Ohio State University, Columbus, Ohio, USA, where he was an invited Visiting Scholar from October 2008 to March 2009. Since February 2010, he has been a Research Associate with the University of Siena, Department of Information Engineering. His research interests are focused on asymptotic high-frequency techniques for electromagnetic scattering and propagation, Complex Source and Gaussian Beam electromagnetic field diffraction.
